

Edmodo and Socrative: New Ways to Manage Learning

Carrie McComas, M. Ed.

Palestine High School

iHeart Devices Aug. 8, 2013

Edmodo

- Edmodo has a Facebook look and feel which provides an instant interest factor for students.
- It eliminates a LOT of paper.
- It provides instant feedback with grades and comments.
- There is an app for it.
- Students have one account for multiple classes.
- It's FREE!

To sign up:

- 1) Go to www.edmodo.com.
- 2) Click "I'm a Teacher" and fill in the fields.
- 3) Create your profile.

*Students do NOT need to input an e-mail address when they sign up.

Socrative

Socrative.com is an assessment tool that operates on any device connected to the Internet.

Teacher address shortcut: t.socrative.com

Student address shortcut: m.socrative.com
